

Keya Dobriyal

Job intention: Data Scientist

- Tel: +91 79 81756581
- Email: keya@keyadobriyal.in
- Address: Noida, INDIA

Summary

Data-driven problem solver with a passion for turning raw data into valuable business intelligence, with hands-on academic experience in data mining, predictive modeling, and data visualization. Skilled in leveraging Python and R to extract actionable insights from complex datasets. Completed coursework in machine learning and data engineering, with a focus on creating efficient data pipelines and interactive dashboards. Seeking a Data Science Intern position to apply and expand my technical skills within a dynamic team.

Education & Training

Schooling:

- Bhavan' s Rajaji Vidhyashram, Chennai, Tamilnadu (Pre-Primary - CBSE)
- Lakshya International School, Kakinada, Andhra Pradesh (Secondary - CBSE)
- The Asian School, Dehradun, Uttarakhand (Higher Secondary - CBSE)

University:

- Amity University, Noida, Uttar Pradesh
Bachelors in Engineering (Computer Science with Honors in Data Science - 5th Semester)

Professional Skills

- Research Methodologies
- Statistical Analysis
- Python, R Programming
- Data Visualization
- Machine Learning
- Predictive Modeling

Soft Skills

- Communicative & Story Teller
- Business Acumen
- Problem Solving & Critical Thinker
- Curious with Intellectual Humility
- Collaborative & Team Worker
- Adaptable to Environment

Self-evaluation

Highly motivated and adaptable Data Scientist with a strong foundation in logical thinking and problem-solving. A natural collaborator, I excel at communicating complex ideas to drive team efficiency and proactively resolve challenges. My positive attitude and proactive communication style allow me to quickly integrate into new teams and deliver results. Always eager to leverage my analytical skills and a can-do attitude to make an immediate impact on a fast-paced team.
